

# Stadeliver

*The wait is over!*

Pre-revenue stage.

## Market Size

SOM: \$13M

SAM: \$104M

## Investment Opportunity

\$1.2M

2 year runway

18% Software Dev

45% Operations

25% Marketing

12% Business Dev

## Team:

Christopher Williams  
CEO

Rick Madson  
CFO

**Customers:** “I missed half the game waiting to order a hot dog!”

**Vendors:** “I lost half my customers due to excessive wait times!”

**Stadeliver** is an on-demand food logistics app - “UberEats for live events”.

- It allows customers to quickly order from anywhere in the arena for pickup or delivery.
- Vendors get to enjoy a sales driver that streamlines their operations without saddling them with fees.
